SIR,

I have the honor to state that the Municipal and District Fund monthly accounts Submitted to this office by the Presidents are many imperfect in respect of the vouchers that have to accompany the Cash accounts; many Vouchers are reserved for future Submission and only after repeated Calls, are they Sent by instalments, as they are received from Talukes. It is very necessary that all vouchers should accompany the monthly accounts. Mere Subsequent Receipt leads to the provisional adjustment and incorporation in accounts of Charges, the final audit and admission of which, have necessarily to be postponed till the receipt of the required vouchers. During all this time the unaccounted Charges Cumber the Objection Book, which is very undesirable. I give on the margin a few instances in which vouchers are

READ—

Letter No. 2073, dated 25th June 1901, from the Comptroller to the Government of Mysore, to the Secretary to the Government of Mysore, General and Revenue Departments.

I have the honor to state that the Municipal and District Fund monthly accounts, submitted to this office by the Presidents, are very imperfect in respect of the vouchers that have to accompany the cash account; many vouchers are reserved for future submission, and only after repeated calls are they sent by instalments as they are received from taluks. It is very necessary that all vouchers should accompany the monthly accounts. Their subsequent receipt leads to the provisional adjustment and incorporation in accounts of charges, the final audit and admission of which have necessarily to be postponed till the receipt of the required vouchers. During all this time the unaccounted charges burden the objection book, which is very undesirable. I give below a few instances in which vouchers which ought to have been sent to my office months ago are still due, and the number of calls made therefor. I beg therefore that such orders may be passed as will ensure the punctual submission in future of all accounts and returns complete in every respect:—

No. 2284-94—L. F. 348-96, DATED BANGALORE, 6TH AUGUST 1901.

ORDER THEREON—The attention of Presidents is again drawn to the necessity of submitting the returns and vouchers in the proper form and within the prescribed dates in every case.

2. Government regret that occasion should be given for such general complaints of delay and want of punctuality. The Comptroller is, however, requested hereafter to bring to notice special cases of neglect. It is only then that responsibility can be imputed to the right persons, and proper steps taken to ensure better work in the future.

3. The Presidents of the Municipalities in the Mysore and Chitaldrug Districts will also be requested to submit their explanations as to the cause of delay in transmitting vouchers to the Comptroller in spite of repeated calls therefor:—
